How to create a new user within the RAI event webshop

To create a new 'user' or 'contact' within the RAI event webshop follow the next steps. <u>Please note that only the contact person communicated to the event organization can add or</u> <u>remove users!</u>

- 1. Click the dropdown button labelled "v" next to your name.
- 2. Select within the dropdown menu "My Account".
- 3. You will be directed to the page that says "Hi, [your name]".
- 4. Then select within the left side menu "My Organization" and select "Users".

- 5. You will be directed to the "Users" page.
- 6. At the right side of users-page you select and click the button labelled "Add User".

- 7. You will be directed to the "Create New User" page.
- 8. Fill in all (required) fields to create a new user.
- 9. At the bottom of the page, you select and click the button labelled "Create User" to finish the process of creating a user.
- 10. After you have finished this procedure the newly added user will receive a welcome e-mail. Please note that this e-mail could end up in your spam folder!
